Failure to do so will delay the processing of your application. Paper applications must be completed in capital letters and black ink.

### Questions 1 – 2

Give the full name of the business applying for the EORI number, address and postcode of the business premises, including details of the trading name, if applicable. If there are no separate business premises, include the home address of the sole proprietor, main partner or managing director.

### Question 3

Include your business phone and/or mobile number on which we can contact you during the day. Providing your email address will enable us to notify you promptly of your new EORI number.

### Question 4

Include, as appropriate, one or more of the following examples of customs activities:

- importer
- exporter
- customs agent
- carrier
- forwarder
- warehousekeeper, or
- manufacturer.

If your category is not in the above list, please specify.

### Question 5

You must be a legal entity to be eligible for an EORI number. Under 'other' include if you are a charity, non-profitable organisation and so on. Branches and divisions of companies are not legal entities and are therefore not eligible.

#### European Union (EU) database

Your details will be held on an EU database that may be accessed by the Commission or customs authorities in any Member State.

HM Revenue & Customs is a Data Controller under the Data Protection Act 1998. We hold information for the purposes specified in our notification to the Information Commissioner, including the assessment and collection of tax and duties, the payment of benefits and the prevention and detection of crime, and may use this information for any of them.

We may get information about you from others, or we may give information to them. If we do, it will only be as the law permits to:

- check the accuracy of information
- prevent or detect crime
- protect public funds.

We may check information we receive about you with what is already in our records. This can include information provided by you, as well as by others, such as other government departments or agencies and overseas tax and customs authorities. We will not give information to anyone outside HM Revenue & Customs unless the law permits us to do so. For more information go to [www.hmrc.gov.uk](http://www.hmrc.gov.uk) and look for *Data Protection Act* within the *Search* facility.

**HMRC may require sight of the supporting documentation associated with this application.**

### **Commission Internet website**

The Commission will also maintain a further EORI database, containing the numbers, names and addresses of all EORI holders for access by the public via the Internet. Enquirers will be able to ask if an EORI number is valid and if it is the name and address of the holder will also be disclosed providing the holder has given prior permission for the disclosure. Please indicate if you agree to your name and address being disclosed to the Commission Internet website.

### **Declaration**

For electronic applications we will accept the name of the responsible person (sole proprietor, director and so on) rather than a signature.
